01 ABOUT VEBA AND OUR WEBSITE

A BRIEF HISTORY

The Virginia Electoral Board Association (VEBA) is a voluntary association of independent electoral boards across the Commonwealth, representing more than six million registered voters, 133 localities, and 2,453 precincts. VEBA was established on February 10, 1973, in Lynchburg, Virginia to support the responsibilities of the local electoral board.

For over 50 years since its creation, VEBA has cultivated strong working relationships with these electoral boards, general registrars, and election directors; and has worked diligently and successfully to facilitate free and fair elections with the highest standard of integrity in the Commonwealth. Moreover, VEBA has promoted broader participation in elections and facilitated better communication between its members, the State Board of Elections, and other officials at the local and state levels.

On January 28, 2025, a group of members traveled to the capital in Richmond to receive special recognition by the Virginia General Assembly commemorating VEBA's 50 years of service.

Through decades of service, VEBA has adapted to the evolving landscape of election administration, remaining steadfast in its mission to uphold democratic principles, foster cooperation, and ensure every eligible Virginian can participate in free, fair, open, and transparent elections.
